Nighttime Closure of Adams Street for Sign Structure Installation

Traffic Information: As part of the on-going I-95 Corridor Project, DeIDOT announces to motorists that installation of an overhead sign structure will require the nighttime closure of South Adams Street between Maryland Avenue and Elm Street from Sunday, September 19 through Thursday, September 30, 2021.

Dates and Times: Nightly (8 PM until 6 AM) Sunday night through Friday morning, pending weather

Detour Route:

Motorists will continue on Maryland Avenue, across Martin Luther King Boulevard to North Madison Street, left onto West 2nd Street, and turn right onto North Adams Street.

Detour signage will be posted for motorists.
